

COMPARISON OF G-FINDER NEGLECTED DISEASES AND WHO NEGLECTED TROPICAL DISEASES

| | G-FINDER | WHO NTD ¹ |
|--|-------------------|----------------------|
| HIV/AIDS | <u>Restricted</u> | |
| Malaria | | |
| <i>P. falciparum</i> | ✓ | |
| <i>P. vivax</i> | ✓ | |
| Tuberculosis | ✓ | |
| Diarrhoeal diseases | | |
| Rotavirus | <u>Restricted</u> | |
| <i>Shigella</i> | <u>Restricted</u> | |
| Cholera | <u>Restricted</u> | |
| Cryptosporidiosis | <u>Restricted</u> | |
| Enterotoxigenic <i>E. coli</i> (ETEC) | ✓ | |
| Enteroaggregative <i>E. coli</i> (EAEC) | ✓ | |
| Giardiasis | ✓ | |
| Kinetoplastids | | |
| Chagas' disease | ✓ | ✓ |
| Leishmaniasis | ✓ | ✓ |
| Sleeping sickness (HAT) | ✓ | ✓ |
| Helminth infections | | |
| Soil-transmitted helminthiases | | ✓ |
| Roundworm (ascariasis) | ✓ | ✓ |
| Hookworm (ancylostomiasis & necatoriasis) | ✓ | ✓ |
| Whipworm (trichuriasis) | ✓ | ✓ |
| Strongyloidiasis & other intestinal roundworms | ✓ | ✓ |
| Lymphatic filariasis (elephantiasis) | ✓ | ✓ |
| Onchocerciasis (river blindness) | ✓ | ✓ |
| Schistosomiasis (bilharziasis) | ✓ | ✓ |
| Tapeworm (taeniasis / cysticercosis) | ✓ | ✓ |
| Dracunculiasis (guinea-worm disease) | | ✓ |
| Echinococcosis | | ✓ |
| Foodborne trematodiasis | | ✓ |
| Dengue | ✓ | ✓ ² |
| Bacterial pneumonia & meningitis | | |
| <i>S. pneumoniae</i> | <u>Restricted</u> | |
| <i>N. meningitidis</i> | <u>Restricted</u> | |
| Salmonellosis | | |
| Non-typhoidal <i>S. enterica</i> (NTS) | ✓ | |
| Typhoid and paratyphoid fever (<i>S. typhi</i> , <i>S. paratyphi</i> A) | ✓ | |

| | G-FINDER | WHO NTD ¹ |
|--|-------------------|----------------------|
| Hepatitis B | <u>Restricted</u> | |
| Hepatitis C | <u>Restricted</u> | |
| Leprosy | ✓ | ✓ |
| Trachoma | ✓ | ✓ |
| Cryptococcal meningitis | ✓ | |
| Buruli ulcer | ✓ | ✓ |
| Leptospirosis | <u>Restricted</u> | |
| Rheumatic fever | ✓ | |
| Mycetoma | ✓ | ✓ |
| Snakebite envenoming | <u>Restricted</u> | ✓ |
| Chromoblastomycosis and other deep mycoses | | ✓ |
| Rabies | | ✓ |
| Yaws (endemic treponematoses) | | ✓ |
| Scabies and other ectoparasites | | ✓ |

¹ World Health Organization (WHO). Neglected tropical diseases [Internet]. Geneva, Switzerland: World Health Organization [cited 2019 May 10]. Available from: http://www.who.int/neglected_diseases/diseases/en/

² The WHO neglected tropical diseases list includes both dengue and Chikungunya. In G-FINDER, Chikungunya is classified as an emerging infectious disease. Funding for Chikungunya R&D is collected alongside the neglected diseases in the G-FINDER survey, but is analysed and reported separately (as part of an emerging infectious disease report)

Restricted denotes a category where only some investments are eligible, as defined in the [G-FINDER neglected disease R&D scope document](#)
